

## To all Team Managers of competitors who will enter Ocean events at the Lifesaving World Championships

As required by the ILS Competition Rulebook 2015-2019 Edition Revised 2017, at Rule 2.10.2.b), and the ILS 2018 World Championships Competition Handbook, at Rule 5.2.d) (Note), it is a condition of entry to the Lifesaving World Championships Adelaide 2018 that all competitors, and handlers, must wear the hi-visibility vests that are supplied by the Local Organising Committee (LOC) in all Ocean Competition where they enter the water. The only exception to this is IRB events where participants will wear PFDs.

The vests are supplied at a cost of 15 Euro per vest and are available in the following sizes:

Size	Chest Size
• X Small	– 33cm
• Small	– 35cm
• Medium	– 37cm
• Large	– 39cm
• X Large	– 41cm
• XX Large	– 43cm
• XXX Large	– 45cm

Some team managers have already ordered the number of lycra vests required, others have not yet until they are sure of the number of competitors that will be selected for these events in their team. To date it has only been possible to order a lycra vest without selecting the sizes. These sizes have now been inserted into OrgaNet so that teams can order the correct number at the correct size.

In order to assist the LOC in ordering the correct number, in the correct size, please take the following action as soon as possible.

1. Login to OrgaNet, select “**My Teams**” from the left-side menu
2. Select the “**Edit**” icon on the right side of your team record (it should be the 4<sup>th</sup> icon from the left-hand side as you look at the screen). This opens your team registration.
3. Select “**Items**” from the list of tabs
4. Select “**Equipment**” from the choices presented.
5. Order the required number of vests by size.
6. If you have already entered a number of vests without size, please select the required number for each size, then change the number ordered with no size to zero and click on “**Save**” before exiting.
7. If you have not already entered a number of vests without size, after you have selected the required number for each size, click on “**Save**” before exiting.

The order can be adjusted if you need to at a later date, but in order to ensure that sufficient numbers are ordered in the sizes that you require, please order the number you require as soon as possible.

Please contact the LOC at [lwc2018@surflifesavingsa.com.au](mailto:lwc2018@surflifesavingsa.com.au) if you require any further information regarding the sizes of the vest.
